Policy Document on the Green Campus

Green Campus: Green campus is a concept which encourages people to lead towards the culture of sustainable development and protection of environment. It offers an opportunity to discharge fundamental duty u/Art. 51 A (g) & to lead healthy and pollution free life.

Policy Initiatives: Amolakchand Vidhi Mahavidyalaya, Yavatmal having been concerned with the significance of environmental protection and the importance of sustainable development has framed its own policy and taken following initiative towards it.

1. Organisation of tree plantation programme.
2. Arrange the cleanliness drive with the help of students and staff.
3. The institution has established Green Club.
4. It has insisted on use of LED bulbs at college and home.
5. Initiative has taken towards water conservation in the form of rainwater harvesting.
6. Constructed tanks and bunds.
7. Installed solar poles.
8. Restricted entry of automobiles.
9. Institution campus has Landscaping with trees.
10. Initiative has taken to make available e-library resources.
11. Green, Environment and Energy audit conducted.
12. Encouragement to observe 'No-Vehicle Day' in a week or at least fortnightly and encouragement to staff and students to use Bicycles or battery-powered vehicles instead of fuel-based vehicles.
13. Vow to maintain the 'plastic-free campus.'

Objectives of the Policy

- i. To create awareness among all the stakeholders about preservation and protection of environment and fundamental duty u/Art. 51 A (g).
- ii. To maintain green and clean campus.
- iii. To acknowledge the significance of sustainable development
- iv. To imbibe the social, educational and moral values towards the protection and preservation of environment in all its stakeholders
- v. To educate its stakeholders how to produce minimum waste and waste management
